1:14 Money

(Whole Numbers)

Syllabus reference:

Teaching notes:

Heading: A woman buying food at a shop is shown. Talk about the differences in this cash register and other cash registers. Ask, 'How is money stored in cash registers?'

- Read the label, match the note, and its value.
- When colouring notes, use only the main colours. Subtle colouring might be mentioned for interest.
- Note similarities and differences - water marks etc.
- **Research:** The name of each person is displayed on the note. Pupils may even research the work these people did.
