# 4:14 Consolidation

60 ÷ 3 = 20

(Multiplication and Division)

**1**

How many vases could be filled if:

**a** 5 flowers were put in each vase? 22 ÷ 5 = ☐ r ☐

**b** 6 flowers were put in each vase? 22 ÷ 6 = ☐ r ☐

**c** 10 flowers were put in each vase? 22 ÷ 10 = ☐ r ☐

**d** If Mai could only find 3 vases, how many flowers could she put in each if each vase was to hold the same number of flowers? ☐

**2** Share the Base 10 material between three people.

How many shorts would be in each share? Circle any leftover blocks.

**a**  ☐

**b**  ☐

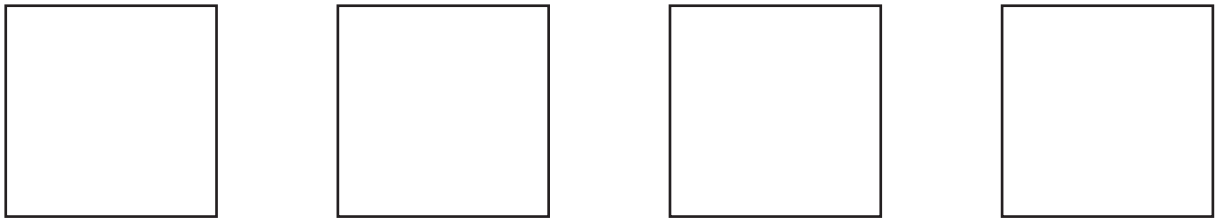
**c**  ☐

**d**  ☐

**e**  ☐

**f**  ☐

**3** Use the boxes and counters to share among 4.



**a** 25 counters: 25 ÷ 4 = ☐ r ☐

**b** 37 counters: 37 ÷ 4 = ☐ r ☐

**c** 17 counters: 17 ÷ 4 = ☐ r ☐

**d** 53 counters: 53 ÷ 4 = ☐ r ☐
