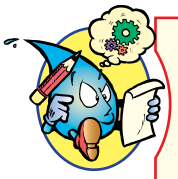
# 1:05 Solving problems

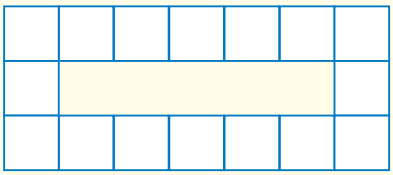
Think of a question you could ask about this picture.

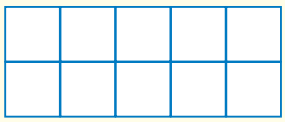
Working Mathematically

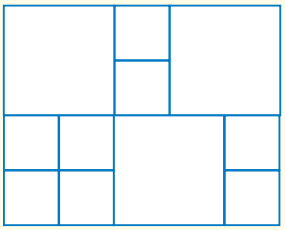


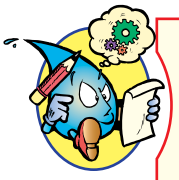
Acting it out
Trial and error

Put a cross ( × ), a tick ( ✓ ) or a dot ( ● ) in each square without putting the same mark in squares next to each other.







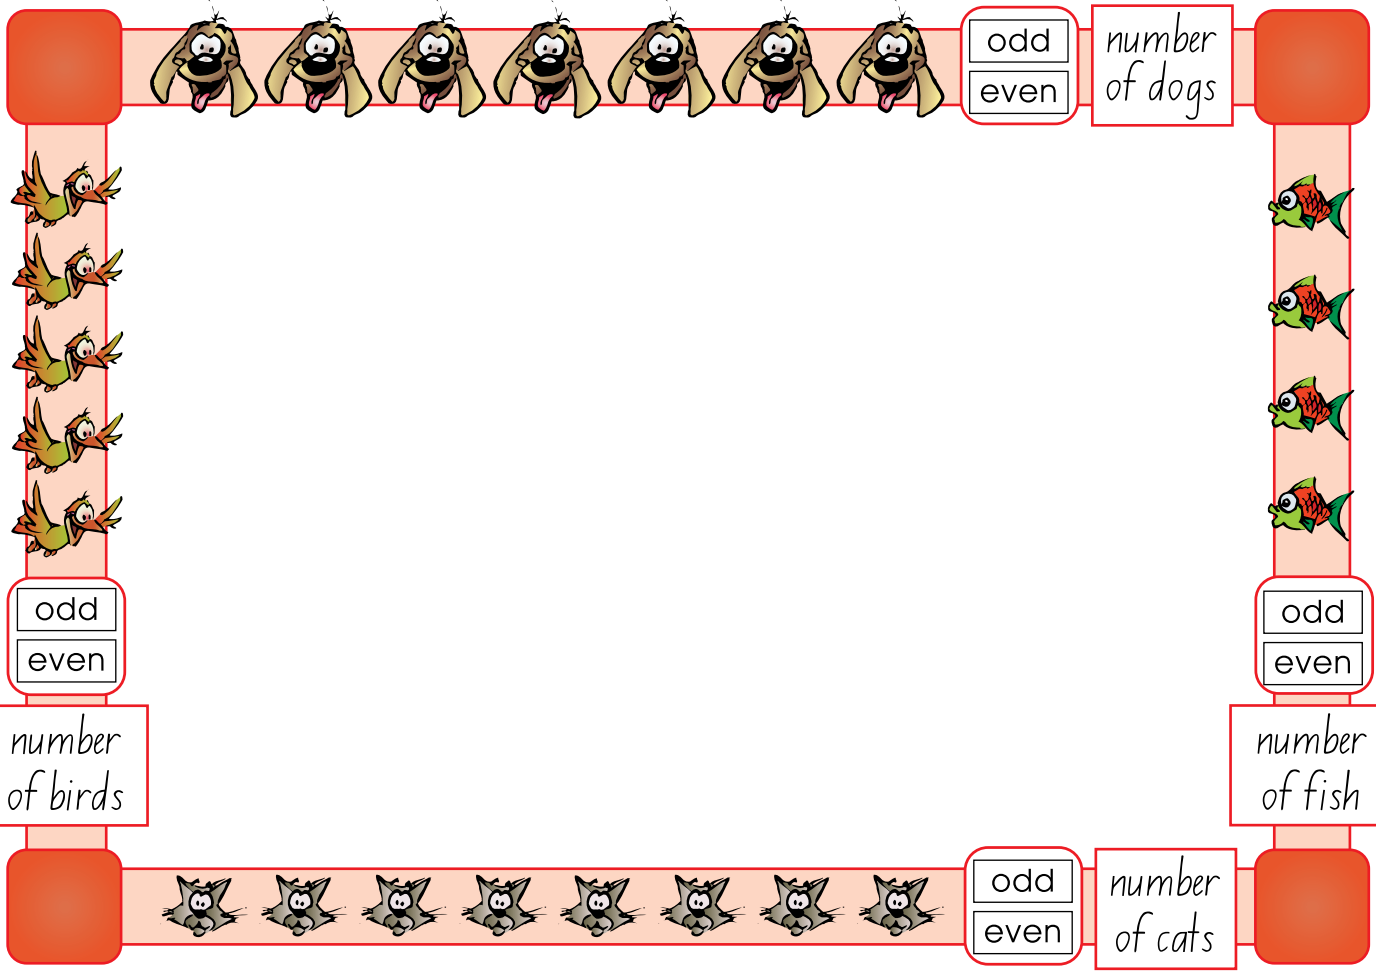


Trial and error

| Person | Blue | Green | Red |
|---|---|---|---|
| Sandy | 10 | 7 | 0 |
| Luke | 8 | 2 | 3 |
| Alan | 4 | 2 | 10 |

Who has the most stickers? _____

Who has the least stickers? _____



**Suggestions**

- Ask children to form an amount of money using coins. Have a partner check their accuracy.
- Write three odd numbers in the top left corner. Write two even numbers in the top right corner.
