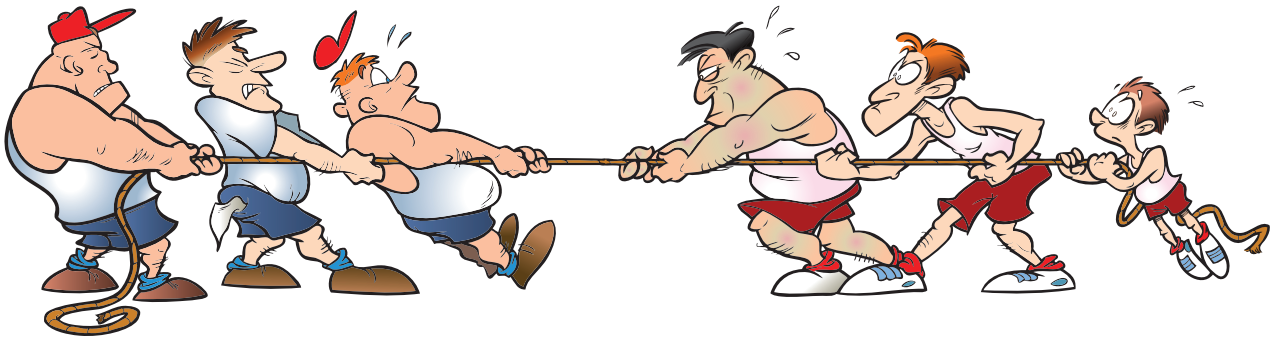
X 2 tables

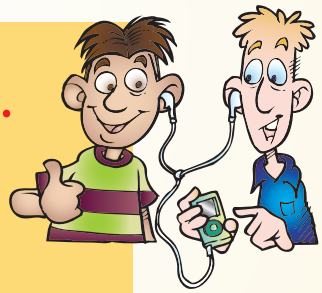
Play the game in the Resources box again and again.

- Keep a record of your best score.
- You need to know your tables off by heart!
- Be able to answer **immediately** after hearing the question.



If $5 \times 2 = 10$ then $2 \times 5 = 10$.

In two times tables all answers are even.
They end in 0, 2, 4, 6 or 8.



0 2 4 6 8

2, 4, 6, 8, 10, 12, 14, 16, 18, 20, 22, 24

Sing the answers to the two times tables.

"Two, four, six, eight
Ten, twelve, fourteen, sixteen
Eighteen, twenty, twenty-two, twenty-four
These are answers to the two times tables."
