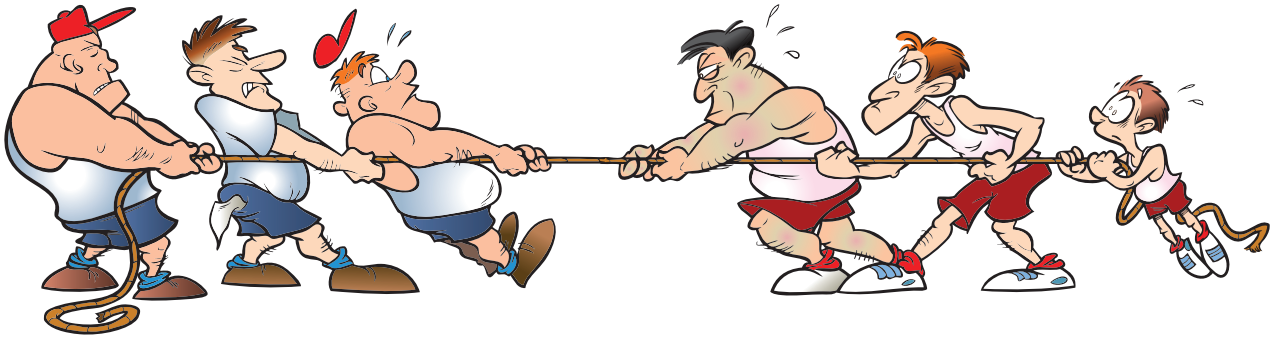
X 4 tables

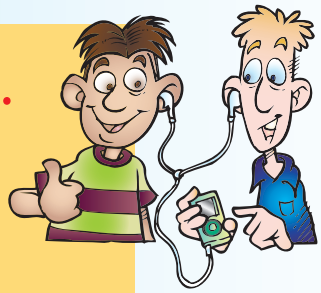
Play the game in the Resources box again and again.

- Keep a record of your best score.
- You need to know your tables off by heart!
- Be able to answer immediately after hearing the question.



If $6 \times 4 = 24$ then $4 \times 6 = 24$.

In four times tables all answers are even.
They end in 0, 2, 4, 6, or 8.



4, 8, 12, 16, 20, 24, 28, 32, 36, 40, 44, 48

Sing the answers to the four times tables.

"Four, eight, twelve, sixteen
Twenty, twenty-four, twenty-eight, thirty-two
Thirty-six, forty, forty-four, forty-eight
These are the answers to the four times tables."
